

Over One Third of US Teens Who Use the Internet Say They've Been Cyberbullied

Learn How to Fight Back at:

Take Back the Net Cyberbullying Workshop

Every day, families face a myriad of online dangers including Cyberbullying. Power in You and Americans for Technology Leadership invite you to a Cyberbullying Workshop hosted by Utah First Lady Mary Kaye Huntsman. Governor Jon Huntsman Jr. will also be in attendance and speaking at the event. Please join us for this free workshop to Take Back the Net.

Saturday, November 10, 2007

10:00 a.m. - 11:30 a.m.

Registration at 9:30 a.m.

[Taylorsville High School](#)

5225 South Redwood Road
Taylorsville, UT 84123
Salt Lake County

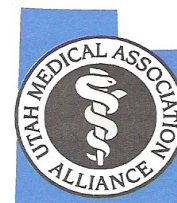

At this Take Back the Net Cyber Security Workshop, you will hear from industry experts about how to protect yourself and your family from online threats. You will learn the scope of these threats, how to stay safe online, forthcoming software, and the efforts of elected officials to protect consumers. Speakers include the First Lady, the Governor, and iKeepSafe.

Hosted by:
